

To Our SouthPark Christian Church Family,

This is the time of the year that SPCC begins planning for 2025. The planning involves the selection of members of 2025, the Executive Committee and other Committees, also Elders & Deacons, defining the theme for the coming year and development of the annual financial plan.

Our 2025 theme will be **“Repairers of the Breach”**. WOW! How can we, the SPCC Community, be the people/organization that mend/forgive as we Repair and Love and achieve Peace then take action. Isaiah 58: 6-12 tells us that helping to feed and clothe the needy, to share Love & Peace with all helps us to show our love as Christ would do. Each contribution, whether it be, willingness to serve in leadership or committee position, or participate in Sunday School/book studies, or provide time/supplies for community programs, and giving financial support, which grows into something that will impact our community in a way that shows Love and Peace. By listening to God, we can be the people that makes a difference and **“Repairers of the Breach”**.

It is financial planning time and the beginning of our stewardship campaign. Our pledges support SPCC’s ministry, campus, staff, & outreach to our communities near & far. God is leading us to **“Repairers of the Breach”**, though us, positive change will occur. Every time we give, our gifts become ministry and mission. Please prayerfully discern the ways that you can participate in the Stewardship campaign with your pledge.

You have been generous in previous years, and you’re asked to consider giving a little more in 2025, if possible. Attached is this year’s estimate of giving card (there are also hardcopies available in the church office & narthex or via a link on SP CC website). You may place your pledge card in the offering plate or leave in the office or mail to the office. We **request pledges by November 17, 2024.**
